**Drugs**  
**RTV, Slovenia**

**Names are written on screen**

**Luan, Milenko, Aleš, David**

- I smoke, not grass but cigarettes and I like to drink here and then.
- It's not fashionable.
- Drugs aren't fashion.
- No.
- A ball isn't a head and a road is no playground.

**Andreja, Lidija**

- It depends on how we define drugs. If alcohol is a drug then yes, otherwise no.
- I once was in this situation and it wasn't hard for me to say no. If you are determined... Nobody can force you. If a colleague starts and you can't help him, no problem, because he cannot force you to drink either. You just have to be strong enough. That's all.
- I have also been in such a situation and I said no, because I know what my principles are I know my goals and I stick to my principles.

**Primož, Sergej**

- I would never drink or smoke.
- No.
- It's damaging to your health.

## **Tina, Domen**

- I have tried, it's no sin trying, it depends on the individual whether he'll continue or not. It does not depend on your company, nobody can force you. I tried and that's it. Maybe I'll drink alcohol again, but my mother is going to watch this, so I won't talk about this any more.
- I must make sure that my mother doesn't watch this show. But still. I've tried drugs. I smoke and I don't hide it. I don't think, I have to be put on the dock just because I smoke and I don't have to defend myself.

## **Teo**

- Grass is really popular at the moment. I haven't tried it yet but many of my friends smoke grass on a regular basis and I see what effects it has, so I'd rather not.

## **Barbara, Jasmina, Maruša**

- Who hasn't had a joint yet?

## **Andrej, David**

- Nowadays, you can see that everywhere, in the town, near schools. I have never tried hard drugs. But I get drunk- I am a true Slovene.
- Styrian.
- Styrian.
- I think ok – I've had experience with hard drugs- twice or three times in my life.

## **Amadeja, Anja**

- No.
- No, not drugs.

## **Dejan**

- Yes, once grass. But I haven't smoked since.
